Join us on a fun filled 10 day cruise to the western Caribbean. Call our Personal Cruise Consultant Kim Pemberton at 800-355-3017, ext. 29425 to be included in the group booking. The larger the group the more we will receive in special perks. Kim can also get you the best prices and should the price decrease she can apply that to your booking.

There will be group dinning each evening, and other group activities during the sea days.
