Memory Book Information

Please take the time to update your personal information and pictures on the Class Report website. Especially if you are not going to be able to join us in person, we want to know how you are and what you and your family are doing. This is the information that will be used for the memory book for the class. You will also be able to find who else is going to be attending the reunion as the reservations come in.

<https://classreport.org/usa/wa/pullman/phs/1971/>

We will be observing all necessary Covid precautions instituted by the local and national governments. This might include masks, social distancing and occupancy limits. In early June the planning team will make a decision based on these restrictions and registrations as to whether it is necessary to cancel the in-person event and switch to a virtual reunion. If it is necessary to cancel, all registrations fees will be refunded less any amounts we have had to pay up front for deposits.

If you have any questions, please contact Pam Gamble Wirth at pam.wirth1@gmail.com or call 602-696-0770.

Looking forward to a great reunion!
