# Lincoln High School Class of 1970 Project Alumni Conference Room

## Background:

The "Alumni Conference Room" will be a dedicated space for Lincoln High School personnel to hold formal meeting opportunities with parents, incoming students, community members, business partners, and new staff. The room will be professionally adorned with images and memorabilia echoing the history of the great Manitowoc Lincoln High School, including an image of the Class of 1970 pulled from that year's Flambeau.

The room will be furnished with executive style seating, collaborative work spaces, and technology capable of showcasing the continued excellence in education at LHS.

Our class donation will include a plaque commemorating the 50<sup>th</sup> Reunion and will include the name of all contributors. This plaque will hang in the conference room. Images of the project are currently being developed by the Shoto Corporation and can be available during the School Tour, and during the reunion dinner at the Yacht Club.

At our reunion in July, we will be raffling the Alexa system & a digital camera. Extra proceeds from the raffle will go to support this project later in July.

If you are interested in contributing as a "Class of 1970" project, we can collect your funds through your reunion registration form, or online at our class website [www.classreport.org/usa/wi/manitowoc/lhs/1970](http://www.classreport.org/usa/wi/manitowoc/lhs/1970).

Donators will be recognized, unless indicated otherwise.

If you prefer a donation on a larger scale on your own, you can use the enclosed MPSD form.
